We, the eurobuch Sportanlagen GmbH, believe in the future of tennis in Starnberg and have spent a lot of time, money and love for the renovation of the traditional indoor tennis hall with 6 tennis courts and 5 outdoor sand courts (only open in summer, May through September/October).

In July 2020 we added two paddle-tennis courts and one midsize tennis court (orange court).

### Hall with 6 carpet-granulate tennis courts

On the 6 courts in the two halls, tennis can be played 24h / 365 days. The existing facilities were completely cleaned, modernized and equipped with professional LED lighting in 2018.

The automatic online booking system allows you to book easily at any time.

### Outdoor facilities with five sand/clay courts

During the summer months (May to September/October) there are 5 open-air sand courts in addition to the 6 courts in the halls.

### NEW: 2 Paddle-Tennis courts and a midsize (orange) tennis court

We have built two brand new courts on site for the world's fastest growing sport: the easy to learn paddle-tennis!

Both paddle courts are equipped with superior LED lighting, which is also included in the court rental fee. So you can play paddle-tennis at any time of the year.

Additionally, a mid-size tennis court (orange court) for children and beginners complements our outdoor offer.

### LA SPORTIVA – Pizzeria Trattoria – Full restaurant with drinks and snacks

After the game you can refresh and strengthen yourself in our Italian restaurant managed by Franco who makes the best pizzas in Starnberg.
