We, the eurobuch Sportanlagen GmbH, believe in the future of tennis and padle in Starnberg and have spent a lot of time, money and love for the renovation of the traditional indoor tennis hall with 6 tennis courts, 5 (outdoor) padle courts, 1 (outdoor) midsize tennis court (also called orange court) and 4 outdoor sand courts (only open in summer, May through September/October).

Hall with 6 carpet-granulate tennis courts

On the 6 courts in the two halls, tennis can be played 24h / 365 days.
The existing facilities were completely cleaned, modernized and equipped with professional LED lighting.

The automatic online booking system allows you to book easily at any time.

Outdoor facilities with four sand/clay courts

During the summer months (May to September/October) there are 4 open-air sand courts in addition to the 6 courts in the halls. If weather doesn't permit outdoor play you have a guarantee for indoor play as well.

NEW: 5 PADEL courts and a midsize (orange) tennis court

We have built five brand new courts on site for the world's fastest growing sport: the easy to learn PADEL!

The outdoor padle courts are equipped with superior LED lighting, which is also included in the court rental fee. So you can play padle at any time of the year (weather permitting).

Additionally, a midsize tennis court (orange court) for children and beginners complements our outdoor offer.

LA SPORTIVA – Pizzeria Trattoria – Full restaurant with drinks and snacks

After the game you can refresh and strengthen yourself in our restaurant managed by Edward Gomes who makes the best pizzas, pasta dishes, salads, burgers and asian food in Starnberg.
